

Vascular Intervention // Coronary

# Galeo Pro

Coronary Guide Wire

Indicated for PTCA applications

- High tensile stainless steel core wire for excellent shape retention
- Enhanced torque response for unique steerability
- Hydrophilic coating to minimize friction
- Broad selection of tip stiffness and support levels

# Galeo Pro

## Navigation made easy

---

A new generation of the classic Galeo guidewire from BIOTRONIK. Galeo Pro features improved durability, better control and a modernized distal coating while maintaining a broad range of configurations.

### Choice

A broad selection of tip stiffnesses and support levels. Find your own favorite and have the option to adapt to the situation at hand.

### Drive

The direct connection between your hand and the distal tip is facilitated by the Controlled Transmission Platform that enhances the torque response and offers unique steerability.

# Galeo Pro

## Improved durability

---

### Feedback

Hydrophilic coating minimizes friction along the wire and lets you focus on tactile feedback from the tip.

### Control

One piece tapered core wire, provides an excellent torque response that gets you to the desired vessel.

### Durability

High tensile stainless steel core wire for excellent shape retention that allows you to treat multiple lesions with one wire.

# Galeo Pro

## Coronary Guide Wire

Technical Data	Guide wire
Diameter	0.014"
Length	190 cm and 300 cm
Core wire material	High tensile stainless steel
Proximal coil	21.5 cm, stainless steel
Distal coil	26 mm, palladium, radiopaque
Proximal (shaft) coating	PTFE
Distal coating	Hydrophilic (30 cm)
Range of tip flexibilities	High Flexible (HF), Flexible (F), Medium (M)
Range of support levels	Standard and ES (Extra Support)
Shaft markers	92 cm and 102 cm from distal end

Order Information	Catalogue number	Tip shape	Tip flexibility	Label color code	Support level	Length
	389781	Straight	High Flexible	■ Red	Standard	190 cm
	389782	J				
	389783	Straight	Flexible	■ Orange	Standard	190 cm
	389784	J				
	389785	Straight	Medium	■ Blue	Standard	190 cm
	389786	J				
	389787	Straight	Flexible	■ Yellow	Extra support	190 cm
	389788	J				
	389791	Straight	Flexible	■ Orange	Standard	300 cm
