

HRS 2019
Invitation to the
BIOTRONIK
Technology Suite

Invitation

You are cordially invited for an exclusive preview of a selection of BIOTRONIK's exciting future technologies, concepts and solutions in Cardiac Rhythm Management in the BIOTRONIK booth. Our product experts will showcase new approaches for cardiac pacing, miniaturization, diagnostics and patient involvement. Visitors will also have the chance to try our upcoming delivery and implantation tools in hands-on sessions.

Note: Every customer needs to sign a non-disclosure agreement (NDA) on-site before entering the Technology Suite.

Scheduled Appointments

Please contact your local BIOTRONIK representative to schedule an appointment for one or both of the following 20 minute hands-on sessions:

- Future Therapeutic Solutions
- Future Diagnostic Solutions

Reservations can also be made on-site at the BIOTRONIK booth #219.
