

BIOTRONIK Practical Tutorial Session

ESC Congress 2019

September 1–3, 2019, 10:00-11:00
Practical Tutorial Room 4

How to Easily Inject a New Implantable Cardiac Monitor

Presenter: Dennis Lau (Adelaide, Australia)

Hands-on session BIOMONITOR III. Learn the best techniques for injecting BIOTRONIK's new Cardiac Monitor, the BIOMONITOR III. Participants will learn tips and tricks based on guidance from Dennis Lau, one of the first physicians in the world to use the BIOMONITOR III during the BIO|CONCEPT.BIOMONITOR III Study earlier this year. Visitors will be able to test an injection hands-on using the actual tools, together with several dummy torsos.
