10:15-10:45, 13:00-13:30,
15:45-16:15

March 31

10:15-10:45, 13:00-13:30

Practical Tutorials 3

Device-based Case Analysis

Presenter:

**Larry Chinitz (New York, US),
Mauro Biffi (Bologna, Italy),
Deepak Mannamplakel (Berlin, Germany)**

This interactive session helps enable healthcare professionals to use and interpret our device features to their full potential. Attendees will have the chance to test and improve their knowledge by voting on possible answers before discussing the case in more detail.
